I was born and raised in Columbia. In the early 90's I started my own construction company and for the next 13 years I built and remodeled homes in and around Columbia. While building, I saw first hand the legal pitfalls facing the residents of our community. I decided to go back to school. Yes, I was one of the oldest people in my law class. But, I can say my years as a local business owner gave me the contacts and inside knowledge that I needed to become one of the first lawyers in Columbia to specialize in my kind of law.

Bad things happen...even to the best of us. If you've found yourself in a situation where you are in need of legal advice, call today for a consultation at 445-1234.
